This is our current New Employee Orientation presentation. I would like for you to take a look at the slide that is presented for your area and see if you would like to make it more personal, highlight a special project that you feel proud of, put pictures of your employees, etc.

This presentation only last 15 minutes and as you can imagine CFHS has a lot to talk about. So think about that.

I would like your slide changes sent to Connie Hall-Jones by September 7th. Thanks, Tina
